

SUMMER CAMP 2019'

Once again, we are gearing up for an unbelievable summer! We would like to introduce you to our Tae Kwon Do Summer Camp Program, which is designed to meet each child's needs based on age appropriate and self-confidence building activities. We will have multiple field trips each week, as well as motivational Martial Arts classes – please see the attached calendar. When your child attends our Tae Kwon Do Summer Camp Program you can feel confident that while you are working, your child is in the hands of people that are well trained and truly care. They will be having lots of fun while building character, self-discipline, and increasing their self-esteem. Most importantly they will develop a “Yes, I Can” positive attitude! What an exciting time this summer is going to be!

Our camp theme this summer will be “The 4 Kinds of Self Defense”. We will learn how to defend ourselves physically (smile and walk away from trouble), mentally (know I have internal strength), morally (doing what is right in the face of adversity), and financially (understand money doesn't grow on trees), so that they can be safe and successful and Maximize their Lives!

We will have a limited amount of space, so please register early to insure your spot. The Early Bird Fee is \$130.00 a week by Feb 28, 2019, \$145.00 a week by Apr 30, 2019. Early bird has no discount for secondary or family member (Regular Price \$160.00/week, Non-Refundable Fees). This fee may increase as summer approaches so don't wait – sign up now! We offer discounts for multiple siblings and families as well as signing up for multiple weeks.

All students are required to wear our school T-Shirts every day. Please do not hesitate to call us with any questions at (337) 477-8080 or **(337) 499-8248**. We look forward to working with your family and reserving your child's place in our program!

Sincerely,

Master Joon-Young Hong

DISCIPLINE POLICY

In order to ensure the all-around success of our programs, we want to make you aware of our discipline policy.

Multiple studies have shown that the ability to discipline one's self and one's behavior are greater predictors of success than IQ. Two of our most important goals as Instructors and mentors to your child(ren), is to (1) support you in helping them learn acceptable and unacceptable behaviors and (2) to guide them in cultivating positive habits and actions. We consistently work to recognize and reward good choices, offer support to their peers, have positive attitudes, and following directions. We do this through verbal praise, special recognition and even occasional prizes. We also work to create consistent, predictable consequences for unacceptable behavior choices. We want to create students that take responsibility for their actions and choices.

UNIFORM:

Failure to bring and dress in full uniform (during the school year: uniform pants, uniform top, and belt; during summer camp: summer camp T-shirt and belt), regardless of circumstances, results in the child not being able to participate in pre/post game activities and to temporarily lose their rank in class (although they will continue to practice their belt level curriculum).

ON THE VAN/BUS:

We have zero tolerance for misbehavior on the van/bus. This is to ensure the safe ride from school to the studio or on field trips. If your child displays any disruptive behavior, including, but not limited to: riding without seatbelt, hitting, yelling, kicking, cursing, provoking other students, and/or not following directions, the discipline policy will be enforced.

AT THE DOJANG (SCHOOL):

Discipline policy will be enforced for:

- Aggression – We have zero tolerance for aggression displayed between students and/or staff.
- Not following directions and/or following school rules.
- “Bullying” types of behaviors, such as threats, continuous name calling or teasing and/or inappropriate language.
- Lying, stealing or disrespectful attitude toward instructors, training instructors, leaders or parents

The following sequence of disciplinary actions will take place:

1. Disciplinary Warning - Removal of student's belt for up to five days (five days of no disruptiveness) and/or a writing assignment. A conference with parent, upon pick-up that day, will take place, and form signed.
2. Disciplinary Suspension - Removal from the program for three days; parent will be called immediately to come and pick child up. (This will count as Day one) Form will be signed.
3. Disciplinary Dismissal – Immediate dismissal from the program (no refunds). We do not apologize for these extreme measures – we have zero tolerance for creating an unsafe environment for our other students and staff.

Please review this with your child(ren). Once they are able to communicate a clear understanding of the discipline policy, have them sign the bottom of this sheet along with you.

I have read and understand the Discipline Policy of the Summer Camp and After School Martial Arts Programs at Master Choi Tae Kwon Do.
